

**Subject** Earned Incentive Release Credits (Minnesota Rehabilitation and Reinvestment Act)

**Authors** Bliss

**Analyst** Jeffrey Diebel

**Date** February 24, 2025

## Summary

Establishes a specific list of offenses that make prison inmates ineligible to receive earned incentive release credits under the Minnesota Rehabilitation and Reinvestment Act program. Under current law, only offenders who are serving life sentences, indeterminate sentences, and those subject to good time under section 244.04 are ineligible to receive earned incentive release credits. This group of offenders would continue to be ineligible to receive the credits under the bill (see paragraph (b), page 2).
