

Subject Medical assistance payment rates for ambulance services

Authors Backer

Analyst Annie Mach

Date February 19, 2025

Overview

The medical assistance (MA) program covers ambulance services for program enrollees under both fee-for-service and managed care. This bill will increase the MA payment rates for the services under both delivery systems.

Summary

Section	Description
---------	-------------

- | | |
|---|--|
| 1 | <p>Payment for ambulance services.</p> <p>Amends § 256B.0625, subd. 17a. Increases MA rates for ambulance services by an unspecified percent effective January 1, 2026. Provides that capitation payments made to managed care plans and county-based purchasing plans must also be increased to reflect the rate increase for all ambulance services provided on or after January 1, 2026.</p> |
